

## Frameless Shower Doors

**Project date:**

Thursday, December 11, 2014

Your bathroom is one of the most important areas in your home when it comes to updating and upkeep. It can transform your house into a spa. It can have a positive impact on the net value of your home. And it all surrounds your shower and tub. Wow your guests with a custom frameless heavy glass shower and tub enclosure. Feel as though you are in a five star hotel every time you shower. Norman's Glass residential division can supply and install custom, framed and frameless shower doors. Our shower door and enclosure professional can meet at your location, survey your bathroom and make the best suggestion for you in regards to cost, maintenance and best look for your bathroom setup. We can also be in contact with your General Contractor and work hand in hand with them to establish the best installation in regards to the updating of your bathroom.
