Flat Glass Products

From mirrors to table tops to desk tops and more, Norman's Glass and Auto Services can furnish all the flat glass products you need. If you need the glass replaced or new on your bureau, we can provide competitive pricing. For desktop glass in your office, we can drill holes, notches, polish the edge of the glass to perfection. With our Besana glass edging and drilling machines, we can fabricate any of your flat glass requests.

We rigorously test and calibrate our machinery so you get a finished glass product that shines! From mirrors, to windows, to heavy glass frameless shower enclosures to an elaborate patterned bureau top, our professional fabrication staff will provide the utmost in service and satisfaction. We are your one-stop shop for any and all glass, mirror and window products. Where flat glass is the game, Norman's Glass is the name you can trust.
